Face of Football "2018"

Dear Mr Rogonov,
Dear friend of football,

Thank you for your fax dated 22 March 2017 regarding your project *Face of Football "2018"*, to which I have given my full attention.

Let me first congratulate you for your interest in linking football and the arts in relation to the 2018 FIFA World Cup™ in your country.

Unfortunately, FIFA is not in position to follow up on this interesting initiative.

Nevertheless, please allow me to wish you full success in the realisation of your future projects and much continued enjoyment watching football matches with your family.

Yours in football,
